# WAYS DIGITAL FORMS ARE MORE DYNAMIC THAN PAPERWORK

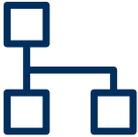

## ONE

eForms are received quicker and with fewer errors from illegible handwriting.

## TWO

Photos and audio clips can be included in digital form fields, providing more detail.

## THREE

Decision logic helps reduce confusion by presenting only the most relevant fields to complete.

## FOUR

Automated inventory management forms enhance accuracy and save time.

## FIVE

Signature fields allow customers or managers to approve completed work on devices.

## SIX

The convenience benefit saves time and money for your organization and enhances CX!
