Do you know …
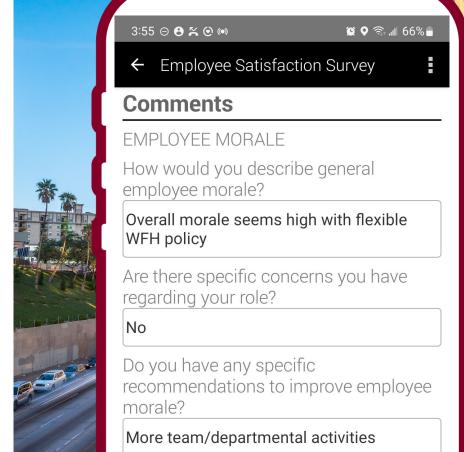

Our **Employee Satisfaction surveys** allow employees to submit feedback on organizational topics and issues?

- Digital survey deployment helps managers create/execute surveys from anywhere and at any time.

- Employees can anonymously submit feedback when the surveys are set up as public forms.

- Questions can be open-ended or closed-ended. Alerts can notify management of issues or concerns which need immediate resolution.

These digital surveys **build trust amongst employees** by **providing valuable and timely feedback.**
